

November 17, 2020

Dear 1C parents,

During lunchtime I was made aware of a possible staffing exposure affecting 1C. We immediately made a staffing adjustment and out of an abundance of caution have moved the children out of the classroom for the afternoon. I have cleaned the desks and chairs, and the classroom will be deep cleaned tonight as it is every night. The classroom will be ready for the students again on Thursday when they return to school. For the remainder of the day the students will be learning with Mrs. Kurten in the computer lab. They are very excited about this.

I spoke to the Health Department about this situation and Dr. Young has said that there is no additional action required with students or in the classroom.

I will keep you posted if anything changes with this situation. Please let me know if you have questions.

Thank you,
Susan
