

October 19-23

Mrs. Protan - Pre-K 1

WELCOME!

We had another wonderful fall week on the farm! We had so much fun exploring the dramatic play area and creating our very own pumpkin patch. Our vegetable garden is growing and we are loving the apple orchard! We have made so many apple treats.

This week

We learned all about the letter Pp and had a great time exploring pumpkins and learning about the pumpkin life cycle. We enjoyed measuring and sorting pumpkins by size. Please ask your child about jumping over Jack Be Little Pumpkins...FUN!!!

Next Week

We will continue our pumpkin unit with completing our pumpkin sensory bottles and planting pumpkin seeds. We will also get ready for Halloween. The boys and girls have asked to create a Haunted House. I can't wait to share pictures!

Weekly Focus

Letter - Bb
Number - 4
Shape - Triangle
Color - Black
