Mrs. Protan - Pre-K 1

WELCOME!

We had a spooktacular week in Pre-K! We enjoyed making Halloween art, hearing Halloween stories and rhymes, and exploring our Halloween themed centers. We did an amazing job playing the Halloween build and clap syllable game.

This week

We also enjoyed learning about the letter Rr and all about Raccoons. We learned that a young raccoon is called a kit. We loved watching our pumpkin seeds! They all sprouted and we have been recording their growth.

Next week

I am excited to announce we will be learning Nursery Rhymes over the next few weeks. Our room will turn into Nursery Rhyme Land! I have attached the article, The Benefits of Nursery Rhymes on Preschool Development, to Remind.

Weekly Focus

Letter - Nn
Number - 5
