

December 7-11

Mrs. Protan - Pre-K 1

Welcome!

I hope everyone had a wonderful Thanksgiving! It was so good to be back in the building on Thursday and hear what the children did over break! They loved sharing family stories and enjoyed talking about what they are thankful for. I can't believe its already December!

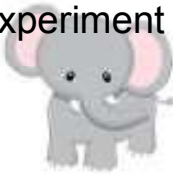

This Week

This week we learned about Advent and started making our Advent wreaths. We talked about ways we can be kind while we wait to celebrate Jesus' birthday. We also started our gingerbread theme on Friday with a special visit from the Gingerbread on the Shelf! Super exciting!!!

Next Week

Next week we will compare and contrast the stories, The Gingerbread Girl, The Gingerbread Baby, and The Gingerbread Cowboy. We will also do a gingerbread science experiment and decorate our individual gingerbread houses.

Family Fun

Advent Wreath
Help your child cut out the center of a large white paper plate to use for the frame of the wreath. Color or paint the wreath green. Use paper towel rolls or paper to create the candles. Be creative and have fun!
