

February 8-12

Mrs. Protan - Pre-K 1

This week

We had a very exciting week in Pre-K celebrating Catholic Schools Week! We had fun decorating our classroom door and adding prayers to our hallway prayer tree. We enjoyed making Valentines for the Clay Health Care Center, thank you cards for local CAMC doctors & nurses,

and creating a hand print Spiritual Bouquet for Bishop Brennan. Game day was a favorite in Pre-K! We had a wonderful time playing different board games with each other. I want to thank each of you for making Catholic Schools Week special and for your support with the CSW service projects.

Next Week

We will get ready for our Valentine Exchange. We will make Valentines for our friends, heart bracelets, and explore our new heart pasta sensory containers. We will go on a heart sight word hunt and use conversation hearts for math and science activities.

Weekly Focus

Letter: Yy

Math: patterns, sorting, graphing

Science: conversation candy experiment

Religion: God's Gift of Love

Conferences

Thank you for attending the parent-teacher conference. I enjoyed meeting with you and appreciate your time! If you have any questions, please don't hesitate to contact me.

Important Information

We will be having our Valentine Exchange on Friday, February 12. Valentines must be brought in by Monday, Feb 8. We will be making Valentine holders at school.

THANK YOU!
